17th Edition Stake for 3 & 4 gang caravan unit "CAV"				CAVS1/A	
17th & 18th Caravan Stake for 1 & 2 gang caravan unit "CAV", NEWCAV1C & NEW CAV1CM				CAVS/A	

Other configurations available:

- IP65 available
- 16A to 32A outlets, single phase, three phase or a mix
- RCBOs 16A to 32A single phase, three phase or a mix

The WER Range RCBO from type A & AC Type RCD protection in one. RCBO's (Residual Current Circuit Breaker with Overload Protection) provide residual and overload protection in one neat device. They can detect & respond as for type AC, PLUS pulsating DC components. Ideal for Electric Vehicles, Domestic and Commercial applications.

Non-returnable unless faulty. Not subject to stock cleanse

Next day delivery subject to stock availability Carriage paid value £200 net plus VAT
