

WE THINK AND ACT GLOBALLY - FAMATEL SPA

By believing in this project we've truly crossed borders. We've become a global business where people, their attitude and their knowledge are the backbone to the Famatel project.

Our corporate strategy rests on the pillars of teamwork and respect for diversity; it's led us to have a presence in over 60 countries with 3 production centers and 7 subsidiaries.

A demanding, honest and well-motivated team strive every day to consolidate our position on the national and international market by strengthening our relationship with clients and suppliers alike.

COMMITMENT TO A JOB WELL DONE R&D&I

In order to achieve excellence, we are dedicated to carrying out research, working hard and making discoveries. In short, we innovate. Innovation is what sets us apart and makes us connect with the consumer.

Our global presence provides our R&D&I departments with enriched information and experience, which help them to develop products adapted to the specific needs and legislation in each market.

PRODUCTION

We concentrate all our efforts to maintain a high level of development among those technologies that are essential to the manufacturing of our products.

To offer high value-added products and guarantee a quick and effective service that meets the demands of the market, we apply a balance between flexibility and specialization. We meet the needs of the national and international market with more than 2000 standard products and their multiple variables.

QUALITY IS OUR PRIORITY

An important part of our business policy is based on establishing an effective and efficient Quality Program that is built into all of our business' processes and departments.

The integrated Famateel Quality Management System is based on the requirements of UNE-EN ISO 9001:2008, as well as other applicable national and international standards. Compliance is headed up by our Senior Management, and is part of the whole organization's commitment.

We guarantee compliance with national and international standards for all products manufactured by Famateel. Our R&D&I department uses it's many internal labs, collaborating with certifying agencies, to guarantee all necessary trials are carried out to vouch for the quality of our products and compliance with the current standards.

INVOICE TERMS AND CONDITIONS

1. Application

1.1 These Terms and Conditions shall apply to the purchase of the goods detailed overleaf ("Goods") by you ("Buyer") from Famatel UK Limited a company registered in England under number 08187888 whose registered office is at **Famatel UK Limited, 2 Laurel House, Station Road, Worle, Weston-super-Mare, North Somerset BS22 6AD** ("Seller") and to the payment of this invoice. No other terms and conditions shall apply to the sale of the Goods or to this invoice unless agreed upon in writing between the Buyer and Seller.

1.2 The essence of these Terms and Conditions remains the same as those included with the Seller's quotation. The tense has been altered to reflect the inclusion of these Terms and Conditions in an invoice.

2. Interpretation

2.1 A "business day" means any day other than a Saturday, Sunday or bank holiday.
2.2 The headings in these Terms and Conditions are for convenience only and shall not affect their interpretation.
2.3 Words imparting the singular number shall include the plural and vice-versa.

3. Goods

3.1 The description of the Goods is as set out in the Seller's Catalogue and confirmed in the quotation and this invoice. In accepting this quotation the Buyer has acknowledged that it does not rely on any other representations regarding the Goods save for those made in writing by the Seller. No descriptions of the Goods set out in the Seller's quotation or catalogue shall be binding on the Seller and are intended as a guide only.
3.2 The Seller reserves the right to make any changes in the specification of the Goods which are required to conform to any applicable safety or other statutory or regulatory requirements.

4. Price

4.1 Subject to sub-Clause 4.2, the price ("Price") of the Goods shall be that detailed in the quotation, accepted by the Buyer and confirmed in this invoice.
4.2 Any increase in the cost of the Goods to the Seller due to any factor beyond the Seller's control including, but not limited to, material costs, labour costs, alteration of exchange rates or duties, or changes to delivery rates, shall be reflected in this invoice in accordance with the Seller's right to increase the Price prior to delivery.
4.3 Any increase in the Price under sub-Clause 4.2 shall only take place upon the Seller informing the Buyer of the increase in writing.
4.4 The Price is exclusive of fees for packaging and transportation / delivery.
4.5 The Price is exclusive of any applicable VAT and other taxes or levies which are imposed or charged by any competent authority.

5. Basis of Sale

5.1 The quotation constitutes written acceptance and confirmation by the Seller of the Buyer's order for the Goods.
5.2 The quotation is a contractual offer to sell the Goods which the Buyer has accepted. The Seller and the Buyer have entered into a contract for the sale of the Goods.

6. Payment

6.1 The Buyer shall pay the Price stated in this invoice within 60 days of the date of

this invoice or otherwise in accordance with any credit terms agreed between the Seller and the Buyer.

6.2 Payment must be made by the Buyer notwithstanding that delivery may not have taken place and / or that the property in the Goods has not passed to the Buyer.

6.3 If the Buyer fails to make payment within the period in sub-Clause 6.1, the Seller shall suspend any further deliveries to the Buyer, cancel any pending orders from the Buyer and charge the Buyer interest at the rate of 0.5%% per annum above the HSBC Bank base rate from time to time on the amount outstanding until payment is received in full.

6.4 Time for payment is of the essence of the Contract between the Seller and the Buyer.

6.5 All payments must be made in UK Pounds unless otherwise agreed in writing between the Seller and the Buyer.

7. Delivery

The Seller has delivered the Goods to the Buyer, enclosing this invoice or has notified the Buyer that the Goods are ready for collection by the Buyer

8. Inspection of Goods

8.1 The Buyer is under a duty to inspect the Goods on delivery or collection.
8.2 If the Goods cannot be examined, the carriers note or such other note as appropriate must be marked "not examined".
8.3 If the Buyer identifies any damage or shortages it must inform the Seller in writing within 15 days of delivery, providing details of the alleged damage or shortage. The Seller shall not be liable if the Buyer fails to provide such notice.
8.4 The Seller must be permitted to inspect the affected Goods before the Buyer uses, alters or modifies them in any way.
8.5 Subject to the Buyer's compliance with this Clause 8 and the Seller's agreement with any alleged damage or shortages, the Seller shall make good any and all damage and shortages within a reasonable time.
8.6 The Seller shall be under no liability for and shall not indemnify the Buyer against any matters arising from damage or shortages.

9. Returns

9.1 Goods may not be returned without the prior written agreement of the Seller.
9.2 Subject to sub-Clause 9.4, 9.6, 9.7, 11.5 the Seller shall only accept returned Goods if it is satisfied that those Goods are defective and that such defects would not be apparent on inspection.
9.3 The Seller shall have the option of either replacing defective Goods within 15 days of receipt of them or shall refund to the Buyer the Price for those Goods which are defective.
9.4 The Buyer may return any Goods within six months of those Goods coming to market (that is, the launch of such goods) within 60 days of delivery provided that:
(a) the Buyer bears the risk and cost of returning the Goods;
(b) the Buyer indemnifies the Seller against any costs incurred in rectifying any deterioration of the Goods resulting from the Buyer's incorrect handling or storage of the Goods.
9.5 The Seller shall not be liable for defects arising out of normal wear and tear, the Buyer's failure to follow any instructions given by the Seller, misuse or alteration of

the goods, negligence, wilful damage or any other act of the Buyer, its employees, agents or any other third party.

9.6 Specials. All codes that have a code SP at the front of them are not part of Returns policy and will not be accepted back for credit.

9.7 All stock returns are subject to our standard 2 for 1 order replacement for all goods returned, subject to confirmation at time of return.

10. Risk and Title

10.1 Risk of damage to or loss of the Goods shall pass to the Buyer either when the Goods are delivered to the Buyer or when the Seller notifies the Buyer that the Goods are ready for collection.

10.2 If the Buyer wrongfully fails to take delivery of the Goods, risk shall pass to the Buyer at the time when the Seller has tendered delivery of the Goods.

10.3 Legal and beneficial title in the Goods shall not pass to the Buyer until the Seller has received, in cash or cleared funds, payment in full of the Price.

10.4 The Seller reserves the right to repossess any Goods in which the Seller retains legal and beneficial title if full payment is not received in accordance with Clause 6. In the event of such repossession the Buyer shall deliver the Goods in which legal and beneficial title has not passed to the Seller at its own cost.

10.5 The Buyer's right to possession of the Goods in which the Seller retains legal and beneficial title shall terminate if:

- (a) the Buyer commits a material breach of its obligations under these Terms and Conditions;
- (b) the Buyer is or becomes the subject of a bankruptcy order or takes advantage of any other statutory provision for the relief of insolvent debtors;
- (c) the Buyer enters into a voluntary arrangement under Part 1 of the Insolvency Act 1986, or any other scheme or arrangement is made with its creditors; or
- (d) the Buyer convenes any meeting of its creditors, enters into voluntary or compulsory liquidation, has a receiver, manager, administrator or administrative receiver appointed in respect of its assets or undertakings or any part thereof, any documents are filed with the court for the appointment of an administrator in respect of the Buyer, notice of intention to appoint an administrator is given by the Buyer or any of its directors or by a qualifying floating charge holder (as defined in para. 14 of Schedule B1 of the Insolvency Act 1986), a resolution is passed or petition presented to any court for the winding up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer.

11. Rights, Warranties and Liability

11.1 Subject to these Terms and Conditions and except where the Buyer is purchasing the Goods as a consumer, all warranties, conditions or other terms implied by statute or common law (save for those implied by Section 12 of the Sale of Goods Act 1979) are excluded to the fullest extent permitted by law.

11.2 The Seller shall not be liable for any loss or damages of any nature, direct or indirect, including any loss of profits or consequential damages suffered or incurred by the Buyer for whatever reason.

11.3 The exclusions of liability contained within this Clause 11 shall not exclude or limit the liability of the Seller:

- (a) for death or personal injury caused by the Seller's negligence;
- (b) for any matter for which it would be illegal for the Seller to exclude or limit its liability;
- and
- (c) for fraud or fraudulent misrepresentation.

11.4 In the event of any claim against our warranty/product liability cover, you will need to download claim form FMECLF which can be downloaded from our web site.

11.5 Famatel UK Ltd standard warranty is 12 months from date of purchase, any return outside of this is not permitted and is subject to section 9.
