

# Twin Outlet Box

195×150×100mm  
(W×H×D)

## New design for June 2020

High quality twin outlet in IP44 and IP65

New design feature built into the body of the outlet enables you to hinge the unit top or bottom. This is achieved by removing the screws in the corners you wish to hinge down and then partially undoing the others.

195×150×100mm  
(W×H×D)
